LH3M
LUNAR HELIUM-3 MINING

JUNE NEWSLETTER

To Make Earth Green, We Go to the Moon.

PATH TO THE MOON

SERIES A UPDATE

LH3M's ongoing Series A financing will accelerate the development of proprietary technologies supporting the future commercialization of lunar helium-3. As we continue building one of the world's largest helium-3 intellectual property portfolios, we welcome conversations with accredited investors and strategic partners. Contact us to request access to our investor presentation and Virtual Data Room (VDR). CLICK HERE >

IP MOMENTUM — 14TH PATENT

LH3M recently secured its 14th issued patent, further expanding one of the world's largest intellectual property portfolios dedicated to lunar helium-3 technologies. Read the full announcement to learn more.
